

**REMARKS**

On October 11, 2004, Applicants filed a response to office action that included an election in response to a restriction requirement. In response to that office action, Applicants elected claims 1-18 without traverse. That election is hereby confirmed. However, Applicants unintentionally failed to withdraw from consideration the entirety of the remaining claims. To rectify that mistake, Applicants hereby withdraw from consideration claims 19-59 by cancellation thereof.
